He Is The Entertainer

Enjoy Your Front-Row Ticket To Billy Joel.

By Barb Oates

Music icon Billy Joel is doing something special to celebrate his record-breaking Madison Square Garden residency that started in 2014. The beloved Long Islander is giving back to his fans and allowing cameras to capture his 100th consecutive monthly show at MSG in his first ever broadcast TV concert special.

"We have done this sort of remarkable achievement by playing Madison Square Garden once a month for 100 times. And if you just do the math, it's 18,000 people a night, so 1.8 million people have seen it, but that's all," shares Steve Cohen, creative director and producer who's worked with Billy since 1974. "The rest of the country and the rest of the world has not had the experience of being in the room with Billy at Madison Square Garden. We want to share this experience with them."

The two-hour special, *The 100th: Billy Joel at Madison Square Garden — The Greatest Arena Run of All Time*, will air Sunday, April 14 on CBS. Here Cohen shares a little more on his longtime friend and the magic they've created over their near 50-year partnership.

How selecting songs from a 50-year catalog is an embarrassment of riches.

Steve Cohen: Our job is to look at this show and see the real standout performances. We anticipate that "Uptown Girl" will be in the show, but if we have a better performance of "It's Still Rock and Roll to Me," it may surpass "Uptown Girl." I mean, it's an embarrassment of riches as a producer. And for Billy, he doesn't really care. He calls his songs his children, so as long as the kids get a good showing, he'll be happy.

What went into the decision of broadcast over streaming?

Billy is a working-class guy, and we all come from Sunday night appointment TV. … Billy loves the idea that we are doing this for free and it's basically a giveback. … The downside is we can't do the whole show. But I think the tradeoff is worth it.

What Billy's really like as a boss.

I've been with him since 1974. It's almost 50 years. I've done every live show with him. We started together in our 20s, and his work ethic and his modesty is not false. That's exactly how he is, and that's exactly how he's always been. And remarkably consistent. The more successful he's gotten over the years, I find him to be even more humble.

Getting goose bumps on goose bumps talking about the most meaningful song.

I have to put this in context … I think that first night back after COVID, when we came back and played that show in November at Madison Square Garden, after a year off [from a 10-year run], we end the main set with "Piano Man." And though it is not my favorite Billy Joel song, there's the line in there that says, "forget about life for a while." I think at that moment, my goose bumps had goose bumps. … It made me realize how precious that sense of community and music is, and what Billy can bring to an audience that allows [them] to forget about life for a while.

"Welcome To Wrexham" Is Back!

It was exciting when Wrexham AFC, a long-suffering club from North Wales owned by a pair of Hollywood novices, finally won promotion to the English Football League in *Welcome to Wrexham*'s November finale. But because the game had occurred months earlier, it wasn't exactly news to fans. That's why the Emmy-winning docuseries' third season (coming to FX April 18) has been pushed up to more closely align with the EFL season. If the Red Dragons can remain strong despite injuries, expect celebrations from owners Ryan Reynolds and Rob McElhenney.

"Collector's Call" Returns With 26 New Episodes On MeTV

Host Lisa Whelchel (*The Facts of Life*) returns for Season 5 of *Collector's Call* (Sundays beginning April 7 on MeTV), which will feature 26 episodes, including the show's milestone 100th installment, slated to air in August.

The popular series explores the rarely seen private collections of the nation's biggest collectors of pop culture and nostalgia memorabilia. Joining each episode are professional appraisers and experts who value what the prized collectibles are worth, and then try to tempt the collectors with a trade, offering a coveted item that could be the perfect addition to their collections.

Here's a look at a few Season 5 episodes:

Sunday, April 7: "Meet Stewart Berkowitz — TV Props/Costumes" (New Jersey)

The season kicks off with a tour of Stewart Berkowitz's incredible TV props and costumes collection. One of the largest of its kind to be in private hands, it mostly includes fabulous screen-used TV costumes, props and vehicles from the 1960s and '70s.

There's Barney Fife's costume from *The Andy Griffith Show*, both William Shatner's Captain Kirk and Leonard Nimoy's Spock costumes from *Star Trek*, *Batman* hero and villain costumes from the 1960s series, and more.

Berkowitz, who passed away unexpectedly in March, told us just weeks prior that he thinks the biggest part of this episode will be showing off an entire onstage set from *The Tonight Show Starring Johnny Carson*. "This was acquired from Johnny Carson himself by another collector who then made it available to me," Berkowitz explained.

Sunday, April 14: "Meet Shawn & Gina Sheridan — Horror & Sci-Fi Toys" (Los Angeles)

Monster Party podcaster Shawn Sheridan is into horror; his wife, Gina, is all about sci-fi. They display such treasures as *Galaxy Quest* glasses made exclusively for the cult TV-show-within-a-movie's crew; a production-made Jason mask from *Friday the 13th Part VI: Jason Lives*; and more.

Sunday, April 21: "Meet Kenneth Guinup — 'Weird Al' Yankovic" (Seattle)

Kenneth Guinup isn't just a lifelong fan of "Weird Al" Yankovic — he's a collector who has assembled a wild and wonderful range of artifacts, collectibles and one-of-a-kind treasures related to the musician, including Al's very first EP, an exclusive jacket and more. — *Jeff Pfeiffer*

PBS' American Experience will premiere the new documentary ***Poisoned Ground: The Tragedy at Love Canal*** on Monday, April 22 from 9 to 11 PM ET (check your local listings). This is the story of the ordinary women who fought against overwhelming odds with both the chemical industry and the government on behalf of the health and safety of their families — and won. In the late 1970s, residents of Love Canal in Niagara Falls, New York, discovered that their homes, schools and playgrounds were built on top of a former chemical waste dump. In the above photo, after two years of fighting, Lois Gibbs waits outside the Love Canal Homeowners Association for a phone call from the White House in May 1980.

HBO will premiere its seven-episode original series ***The Sympathizer*** on Sunday, April 14 at 9 PM ET/PT, also available to stream on Max. Based on Viet Thanh Nguyen's Pulitzer Prize-winning novel of the same name, this limited series is an espionage thriller and cross-culture satire about the struggles of a half-French, half-Vietnamese communist spy during the final days of the Vietnam War and his new life as a refugee in Los Angeles, where he learns that his spying days aren't over. The series stars Hoa Xuande, Fred Nguyen Khan, Toan Le, Phanxine, Vy Le, Ky Duyen, Kieu Chinh, Duy Nguyen, Alan Trong, Emmy winner Sandra Oh and Academy Award winner Robert Downey Jr., who plays multiple roles.

OWN: Oprah Winfrey Network will premiere its all-new relationship series ***The Never Ever Mets*** on Friday, April 19 at 8 PM ET/PT. Hosted by Ta'Rhonda Jones, the series takes online dating into the real world, featuring seven couples. So far, they have never met each other in person. It's time they meet under the same roof, dating in person rather than through their computers or phones, to see if their internet love can survive in real life. In the premiere episode, Josh and Shay are eager to connect after 12 long years of texting and FaceTiming. Also, after speaking online for a month, Sandia thinks she may have found her Prince Charming, Chris. Finally, after five years, Dymond and Aaron H. share a romantic meal in person.

YOUR ULTIMATE SILVER DOLLAR SET

150 Years of Iconic U.S. Silver Dollars from the Morgan to the Silver Eagle

We've done the work for you with this 5-Pc. U.S. Silver Dollar Set. Each of these U.S. Silver Dollars is sought-after by collectors individually, but this set includes every design of U.S. Silver Dollar in American history, issued from 1878 to 2024!

Morgan Silver Dollar: First struck in 1878, the Morgan has a historic legacy as the coin that helped build the American West. Minted until 1904, then again in 1921, this 90% silver coin with its iconic Lady Liberty design is the most collected vintage Silver Dollar in the world. Extremely Fine (XF) condition coin included in set.

Peace Silver Dollar: Memorializing peace following the end of World War I, the 90% silver Peace Dollar was intended as a one-year only release struck in 1921—but it proved so popular with the American people, it was struck until 1928, then again in 1934-35. Extremely Fine (XF) condition coin included in set.

Eisenhower Dollar: The last circulating U.S. dollar coin, the Eisenhower Dollar, aka the "Ike Dollar," with its design featuring war hero President Dwight D. Eisenhower, backed by an image symbolizing the Apollo II moon landing. Struck in silver from 1971-1976, the Eisenhower Dollar in this set was struck in 40% silver for collectors, and you will receive a coin in Brilliant Uncirculated (BU) condition.

Silver Eagle Type 1: The first-ever U.S. Silver Dollar minted in 99.9% silver, these coins were first minted in 1986 following President Ronald Reagan's signing of the Liberty Coin Act into law on July 9, 1985, which authorized the U.S. Mint to strike America's new silver bullion coin. This gorgeous Silver Dollar features the original, revered Type 1 "Heraldic Eagle," and a Brilliant Uncirculated (BU) condition coin is included in set.

Silver Eagle Type 2: In honor of the popular 99.9% silver coin's 35th anniversary in 2021, the Silver Eagle received a new, esteemed Type 2 "Eagle Landing" reverse design. This is the current issued coin by the U.S. Mint. Brilliant Uncirculated (BU) condition coin included in set.

5 QUESTIONS with ...

JOE MIÑOSO

Of NBC's "Chicago Fire"

By Jacqueline Cutler

When Joe Miñoso landed a role on *Chicago Fire*, he was so thrilled he ran around his apartment, pretending to drive a fire truck.

"Somehow, the most important thing to me was the fact that I was going to get the opportunity to drive a fire truck," he says.

He's been part of NBC's Wednesday drama, currently in its 12th season, since day one. Miñoso says it's been a life-changing experience. "I want it to last forever."

The Bronx-reared Miñoso loves living in the suburbs outside of Chicago, and it was from his house that he answered our "5 Questions."

1. Tell us about a time when you were starstruck. It was 2006 or 2007, and I was going to L.A. to see if I could live out there. I despised L.A. at that time. But I arrived at the airport, and I'm fresh out of college. I got business cards with my photo in the pocket of my blazer — I'm wearing a blazer. And I was standing waiting for my bags. John Leguizamo was standing right next to me. How important that man is, especially to the Latino acting movement — he's just such a powerhouse. ... I'm actually very happy that I didn't say anything because it was the wrong time.

2. Is it true that you, Yuriy Sardarov and Charlie Barnett were roommates as well as castmates? Yeah! We were filming the pilot, and I said to Charlie, "If this thing goes, let's do the firefighter thing. Let's live together and see what that's like." We found a place together, and we lived together, and then Charlie and I lived together again for the second season. Yuriy very quickly realized that was not going to work for him.

3. How do you describe your character, Joe Cruz? Heart on his sleeve, incredibly dedicated family man. Eager to achieve but low self-esteem. He's just one of the most normal human beings you could ever ask to know. He's just upright.

4. What's a job you had before acting that continues to influence you? When I worked for Lululemon, they were very big on manifestation and goal writing. I had never done anything like that in my life. My one-year goal was to make my income only based on acting. Then, to be able to play some sort of hero and to have just some kind of long-form arc on some sort of television show. And all of those things came to be within a year.

5. What's your ideal day? A quiet morning with a cup of coffee, maybe a little workout, and then 18 holes of golf, followed by a simple, quiet dinner with my wife and then a movie on the couch.

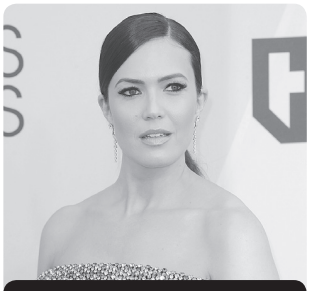
HOROSCOPES

By Yasmin Boland



Mandy Moore, an Aries (born Apr. 10), of "Dr. Death"

ARIES (March 21 - April 19)
Stop whatever you're doing right now and close your eyes and imagine your ideal scenario for your working life or whatever it is that you do that you're 'known for' in the coming year. Focus on that this week. Once you're clear on your intentions, you can manifest them.

TAURUS (April 20 - May 20)
If you can get far, far away from it all this week, it'll do you a lot of good! And if you can't get away, see if you can do something at home that somehow broadens your horizons. It could be meeting someone well-travelled or studying something mind-opening. Seek perspective!

GEMINI (May 21 - June 20)
Don't worry if you're feeling a big confused at the start of the week. Just go with it. Sometimes we need to live with uncertainty, personal and/or professional. Instead of trying too hard to make a decision, feel your feelings. They will inform your next best move. Be patient with yourself.

CANCER (June 21 - July 22)
There's powerful new energy around you right now, and it's offering you the chance to create your own romantic 'destiny' (except it's not really destiny, since you're creating it with your thoughts and desires, right?) Tap into it by asking yourself what you want from love in 2024. Love to love.

LEO (July 23 - Aug. 22)
Once a year you get a chance to start all over again I don't just mean because it's a new year. Rather, the January New Moon will trigger your Daily Life Zone. So how do you want 2024 to play out in terms of routines and timetables? Decide now!

VIRGO (Aug. 23 - Sept. 22)
It would be a bit rash to promise you a super romantic week. Because even though you have some lovely and romantic stars right now, the big astrological picture is serious and demanding Saturn making you work harder for all your relationships. You get back what you put into love.

LIBRA (Sept. 23 - Oct. 22)
This is the week to start over with your home and family. If life became tense during the silly season, tell yourself (and close friends and family) "that was then and this is now - and now can be different". A restart is possible with the people who matter most to you.

SCORPIO (Oct. 23 - Nov. 21)
The sooner you realize that you're creating your life with your thoughts, feelings and words, the better! Don't believe me? Pay close attention now to your expectations about a special someone or something. The more you fear the worst, the more likely you'll get the worst. You can't fool the Universe!

SAGITTARIUS (Nov. 22 - Dec. 21)
There's a new start coming for you when it comes to cash, property and possessions. So take a moment to make a list of your financial aims and goals for the year ahead. Then make a bullet points about small steps you can take. Come with a plan or leave in defeat!

CAPRICORN (Dec. 22 - Jan. 19)
You will soon have a chance to start all over again in every part of your life. Expect to feel a rush of new vitality. Be optimistic about the year ahead – the stars are on your side. Thinking positively is key. This really is a turnaround year for you. Claim it!

AQUARIUS (Jan. 20 - Feb. 18)
Avoid allowing fears and worries to overwhelm you this week. Look at what's scaring you and deal with it, rather than going into a spiral. And if there is nothing you can do to change whatever is bothering you, accept that it's a ride to somewhere better. Trust the process!

PISCES (Feb. 19 - March 20)
So how's your social life? If it could use a boost, that will come soon. Reach out to the people you love – don't always wait for others to reach out to you! And even if things have been a bit upsetting with one friend, change is possible. Prepare to party!

Get Ready For The 51st Daytime Emmys! Plus, A Beloved "General Hospital" Veteran Has Died

It may seem like soap fans just watched the Daytime Emmys. Well, that's because they did! The annual awards show was delayed until December last year due to show business union strikes that have since been resolved. Now, the soap world is getting ready for this year's awards, which are coming up soon. The 51st Annual Daytime Emmy Awards are set to air on Friday, June 7, from 8-10pm ET on CBS. This will be the 18th time that CBS has broadcast the awards, which honor the best and brightest in soap operas, talk shows, legal/courtroom shows and other daytime programming.

"We eagerly anticipate our return in June as we once again partner with CBS to recognize the exceptional and talented individuals who make daytime television great," Adam Sharp, president and CEO of the National Academy of Television Arts & Sciences, said in a statement. "We're thrilled to kick off our second half-century of the Daytime Emmys."

While NATAS has eliminated the Outstanding Younger Performer in a Drama Series trophy, the category of Outstanding Guest Performer in a Drama Series is still around. Some are already predicting that the statuette will go to legendary performer Dick Van Dyke, who did a turn on *Days of our Lives* as Timothy Robicheaux, the birth father of John Black (Drake Hogestyn).

Other actors who are strong candidates for this year's ballot include *The Young and the Restless*' Melody Thomas Scott (Nikki), Michelle Stafford (Phyllis) and Colleen Zenk (Aunt Jordan); *The Bold and the Beautiful*'s John McCook (Eric) and Heather Tom (Katie); *Days*' Arianne Zucker (Nicole) and James Reynolds (Abe); and *General Hospital*'s Maurice Benard (Sonny), Cynthia Watros (Nina), Brook Kerr (Portia) and Jane Elliot (Tracy).

In Memoriam: Actress Beth Peters died on March 14 in central Florida after a short illness. She was 92. Peters is remembered and beloved by *GH* fans for her turn as Agnes Whitaker, the loving farm woman who lived in Beecher's Corners. Agnes and her husband "Whit" Whitaker (Hank Underwood) gave refuge to Luke and Laura (Anthony Geary and Genie Francis) when they were on the run from mobster Frank Smith (George Gaynes) in the summer of 1980. Peters recurred on the show for a few years and reprised her role as Agnes again in 1994 after Luke and Laura had returned to *GH*.

ASK MATT

WHY DID THE OSCARS RUIN THE TRIBUTES?

@TVGMMattRoush

Question: This year's Oscar in memoriam tribute was a JOKE! Don't the producers know that we can care less about seeing the dancers and singers? I could not see who was being remembered. –*John C.*

Matt Roush: In my otherwise positive review of the Oscar show, which aired at a blissfully early hour for a change and actually ended on time (if not before), my harshest criticism was of the misbegotten "In Memoriam" segment. Almost no one presents this sort of tribute properly anymore, continually upstaging the names and images of those we lost with too much focus on the performers, but rarely has it been produced as egregiously as this year's, with interpretative dancers filling the stage, distracting the eye from the names we could barely read. (The wall of names at the end was ludicrous enough, but good luck reading it!) I tune in to watch a celebration of movies, and this year's ceremony mostly did that very well and made me want to watch the movies I've so far missed. Except for the "In Memoriam" debacle, which is a more essential element of the show than producers seem to understand, it was a job well done.

Young Sheldon
8 pm on CBS

Growing up is never easy. And when you're a teenager with a genius-level mind excelling in math and science while living in a town that prefers church and football, it's even harder. Yet young Sheldon Cooper (Iain Armitage) handles it with awkwardness.

Summer House
9 pm on BRAVO

Sharing a summer house with friends on the weekends in Montauk, N.Y., is a dream for plenty of young adults. But when these "friends" are drama-riddled members of New York City's hard-working, hard-partying social climbers, separate rooms are a must.

Lovers and Liars
9 pm on CW

Three bachelors are on a tropical island with 24 women, hoping to fall in love and win $100,000. But only half of the women are there to fall in love and start a life with someone. The other half are only there to deceive the men and earn some cash.

Welcome to Wrexham
10 pm on FX

Season Premiere

Hollywood stars Rob McElhenney and Ryan Reynolds guide the world's oldest professional football club to its rightful place in the English Football League in this Season 3 premiere. But they're also bracing for the new challenges that come with it.

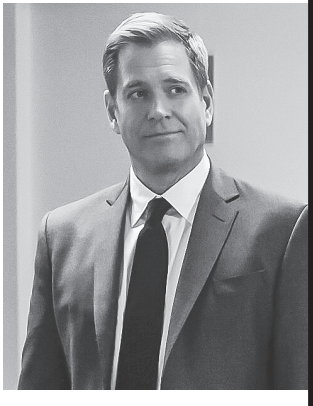
CHEERS TO MICHAEL WEATHERLY

for suiting up and showing up. The beloved *NCIS* alum made an unexpected cameo at the end of the long-running CBS hit's February 19 tribute to the late David McCallum (Ducky). Weatherly brought "a little DiNozzo magic," as he puts it. And it brought us to tears.



CHEERS TO ACTOR IKE BARINHOLTZ,

who became the first *Celebrity Jeopardy!* player to win a spot in the game show's Tournament of Champions. We'll take "Go, *Mindy Project* scene-stealer" for $1,000.

JEERS TO THE IRRATIONAL

triggering our irrational fear for Rose's (Karen David) safety in that finale twist. Don't you dare hurt Alec's (Jesse L. Martin) love, NBC!

JEERS TO GIRLS ON THE BUS

for not picking a lane. While star Melissa Benoist will always get our vote, her new Max series about the sisterhood of traveling journalists covering an election campaign veers from light comedy to heavy drama so much, we got whiplash.

Popular CoQ10 Pills Leave Millions Suffering

Could this newly-discovered brain fuel solve America's worsening memory crisis?

PALM BEACH, FLORIDA — Millions of Americans take the supplement known as CoQ10. It's the coenzyme that supercharges the "energy factories" in your cells known as *mitochondria*. But there's a serious flaw that's leaving millions unsatisfied.

As you age, your mitochondria break down and fail to produce energy. In a revealing study, a team of researchers showed that 95 percent of the mitochondria in a 90-year-old man were damaged, compared to almost no damage in the mitochondria of a 5-year-old.

Taking CoQ10 alone is not enough to solve this problem. Because as powerful as CoQ10 is, there's one critical thing it fails to do: it can't create new mitochondria to replace the ones you lost.

And that's bad news for Americans all over the country. The loss of cellular energy is a problem for the memory concerns people face as they get older.

"We had no way of replacing lost mitochondria until a recent discovery changed everything," says Dr. Al Sears, founder and medical director of the Sears Institute for Anti-Aging Medicine in Palm Beach, Florida. "Researchers discovered the only nutrient known to modern science that has the power to trigger the growth of new mitochondria."

Why Taking CoQ10 is Not Enough

Dr. Sears explains, "This new discovery is so powerful, it can multiply your mitochondria by 55 percent in just a few weeks. That's the equivalent of restoring decades of lost brain power."

This exciting nutrient — called PQQ *(pyrroloquinoline quinone)* — is the driving force behind a revolution in aging. When paired with CoQ10, this dynamic duo has the power to reverse the age-related memory losses you may have thought were beyond your control.

Dr. Sears pioneered a new formula — called **Ultra Accel II** — that combines both CoQ10 and PQQ to support maximum cellular energy and the normal growth of new mitochondria. **Ultra Accel II** is the first of its kind to address both problems and is already creating huge demand.

Over 47 million doses have been shipped to men and women across the country and sales continue to climb for this much sought-after brain fuel. In fact, demand has been so overwhelming that inventories repeatedly sell out. But a closer look at **Ultra Accel II** reveals there are good reasons why sales are booming.

Science Confirms the Many Benefits of PQQ

The medical journal *Biochemical Pharmacology* reports that PQQ is up to 5,000 times more efficient in sustaining energy production than common antioxidants. With the ability to keep every cell in your body operating at full strength, **Ultra Accel II** delivers more than just added brain power and a faster memory.

People feel more energetic, more alert, and don't need naps in the afternoon. The boost in cellular energy generates more power to your heart, lungs, muscles, and more.

"With the PQQ in Ultra Accel, I have energy I never thought possible at my age," says Colleen R., one of Dr. Sears's patients. "I'm in my 70s but feel 40 again. I think clearly, move with real energy and sleep like a baby."

The response has been overwhelmingly positive, and Dr. Sears receives countless emails from his patients and readers. "My patients tell me they feel better than they have in years. This is ideal for people who are feeling old and run down, or for those who feel more forgetful. It surprises many that you can add healthy and productive years to your life simply by taking **Ultra Accel II** every day."

You may have seen Dr. Sears on television or read one of his 12 best-selling books. Or you may have seen him speak at the 2016 WPBF 25 Health and Wellness Festival in South Florida, featuring Dr. Oz and special guest Suzanne Somers. Thousands of people attended Dr. Sears's lecture on anti-aging breakthroughs and waited in line for hours during his book signing at the event.

Will Ultra Accel II Multiply Your Energy?

Ultra Accel II is turning everything we thought we knew about youthful energy on its head. Especially for people over age 50. In less than 30 seconds every morning, you can harness the power of this breakthrough discovery to restore peak energy and your "spark for life."

So, if you've noticed less energy as you've gotten older, and you want an easy way to reclaim your youthful edge, this new opportunity will feel like blessed relief.

The secret is the "energy multiplying" molecule that activates a dormant gene in your body that declines with age, which then instructs your cells to pump out fresh energy from the inside-out. This growth of new "energy factories" in your cells is called mitochondrial biogenesis.

MEMORY-BUILDING SENSATION: Top doctors are now recommending new Ultra Accel II because it restores decades of lost brain power without a doctor's visit.

Instead of falling victim to that afternoon slump, you enjoy sharp-as-a-tack focus, memory, and concentration from sunup to sundown. And you get more done in a day than most do in a week. Regardless of how exhausting the world is now.

Dr. Sears reports, "The most rewarding aspect of practicing medicine is watching my patients get the joy back in their lives. **Ultra Accel II** sends a wake-up call to every cell in their bodies… And they actually feel young again."

And his patients agree. "I noticed a difference within a few days," says Jerry from Ft. Pierce, Florida. "My endurance has almost doubled, and I feel it mentally, too. There's a clarity and sense of well-being in my life that I've never experienced before."

5 Expert Tips for Choosing Incontinence Underwear

By Judith Miller

Living with bladder leaks can be challenging, but finding the right incontinence underwear can make a big difference in your comfort and confidence. Here are 5 tips that our experts always look for when shopping for better bladder protection:

1. Absorbency: If you tend to have higher absorbency needs, look for "overnight" underwear, whether you plan to use them day or night. Because Market's Overnight Underwear holds up to 6 cups of liquid, the equivalent of nearly 2 bottles of wine.

2. Leak guards: Leak guards are additional pieces of absorbent material that surround the leg cuffs to prevent unwanted leaks. Always look for products with reinforced leak guards.

3. Skin-friendly materials: Some incontinence underwear can cause irritation and discomfort, especially for those with sensitive skin. Look for latex-free underwear made from soft, breathable materials. Because Market's pads and underwear are latex-free and sensitive skin-friendly.

4. Fit and comfort: Over 50% of leaks are due to incorrect fit. Look for underwear with a snug, but not too tight fit. Top brands will offer underwear with a range of sizes and fits to ensure maximum comfort. **Because Market** offers sizes S to XXL.

5. Price: Incontinence underwear can be expensive, so consider the price per piece when shopping for the right product. Some brands will even offer a free pack to try.

Because

Seriously absorbent underwear.

Get bladder leak protection that absorbs up to 6 cups of liquid. That's 37% more than the leading brand.
